## Société Culturelle de Saint-François

On Sunday February 16th, the Société culturelle de Saint-François joined the committee of the Musée LaForge Jos B. Michaud, at the musée de la salle du 150e and the Ledges and Connors Heritage Committee in order to organize a day for Heritage Week. 35 people took part of this meeting in the Mgr Plourde library community room. The theme was **New Brunswick remembers 1919-2014**.

For the occasion, Major Maurice (Piton) Pelletier shared the Cadets of Clair Squadron history. Many young people got the chance to participate in different components. In 2015, the Squadron will celebrate its 40th anniversary. To follow up on what the Major presented, Mrs Kathy Pelletier, now at a higher level, confirmed that these guidelines helped her in profes-

sional life, in leadership and in her family life. She also named a few cadets that now occupy career roles that take a lot of discipline and leadership.

In the second half of the presentation, Private François-Michel Saucier shared his interest and passion since he joined the Canadian Armed Forces one year ago. With a slideshow, he spoke of his experience with the Armed Forces. Corporal Frank Albert was standing next to him and added experiences as well of what Private Saucier will have to go through with his new career. Barely 18 years old, he's ready to take on this incredible commitment for his future.

Mrs Nadine Bolduc, CMANB 2014 coordinator, closed the presentation with a

report on a youth meeting in the Fall 2013. The Festival Jeunesse de l'Acadie (FJA 2013), in Port-au-Port, Newfoundland, took place from November 8 to November 10, 2013. She explained how Soldier Saucier demonstrated know-how in different components. He distinguished himself in his leadership, his discipline and in others skills. He will be the youth representative in Pohénégamook, Témiscouata, from August 12 to August 17, 2014, during the Congrès Mondial Acadien.

At the end of the activity, there was fudge, molasses cookies, and homemade sweet rolls.

# The Saint John Jewish Historical Museum

The **Saint John Jewish Historical Museum** will present a number of new exhibits for Summer 2014.

The main exhibit will be on the history of the Jewish summer community of Pamdenec (now part of the town of Grand Bay – Westfield). Pamdenec was named as a New Brunswick Historic Place in 2011. More than fifty Jewish families had summer homes in this area along the Saint John River from the 1920s to the 1950s. The exhibit will include maps, photographs, artefacts, and a video, which will feature excerpts from home movies of the period and interviews with former residents. Funding for this exhibit comes from an Exhibit Renewal Grant from the Heritage Branch.

We will also have three smaller community exhibits. The first of these will focus on the waves of Jewish immigration to Saint John from 1783 to the present, including the Loyalists, the English, the Eastern Europeans, post-war refugees and new Israeli arrivals. The second will focus on 36 exceptional men and women in the community, some who were leaders within the Jewish community, and others whose contributions reached into wider city activities and beyond. The third will be a reprise of “Open for Business”, an overview of the history of the Jewish businesses which operated throughout the city from 1858 to the early 21<sup>st</sup> century.

Last year, a small exhibit was created – “Remembering the Survivors – Starting A New Life” – to tell the stories of several Holocaust survivors who came to Saint John. Since then, we have conducted research, oral interviews and collected more photographs which will allow us to expand this exhibit to tell the stories of a dozen families and individuals. Each person has a different experience and a different story to tell.

We also have our permanent exhibit – “The Jewish Way of Life from the Cradle to the Grave” and the opportunity to share the Synagogue with our visitors.

The Saint John Jewish Historical Museum will open for the season on June 2<sup>nd</sup>, and remain open from Monday to Friday until the end of October.

If any museum would like to include our brochures for distribution in their communities please contact Katherine at (506) 633-1833.

Plans are underway for the program to commemorate the Holocaust on Monday, April 28<sup>th</sup>, and a spring music concert fundraiser, which will take place in mid-May.

Follow us on Facebook to see information about events and activities at our Museum.

The Saint John Jewish Historical Museum was created in 1986 to preserve the history of the Saint John Jewish community, founded in 1858, and share it with visitors from around the world. The Museum features a number of permanent and changing exhibits. Guided tours of the Museum are available. The archives and research library are available to researchers by appointment. ## Du Réel au Miniature Railroad Interpretation Centre

We wish to express our thanks for the financial support from the federal and provincial governments, Du Réel au Miniature Railroad Interpretation Centre will be able to add a miniature 1½ scale train track outside.

We are very happy about this great initiative. Without this support, the project would have required many years to become a reality. This constitutes a turning point in our project expansion to promote our museum. It will also have a major impact on the increase of visitor traffic, and therefore allow us to be ready

for the Congrès Mondial Acadien 2014.

Sincere thanks.

## Kings Landing Historical Settlement celebrating 40 years

### Did you know?

In 1783 15,000 United Empire Loyalists were granted land along the river based on their rank in the British army. They were among the first settlers to this region.

### Did you know?

Each home and trade area at Kings Landing has been restored to a different time period. Look for differences in style of clothing, technology, cooking utensils, architectural styles of the home, conveniences such as water and more.

### Did you know?

The name Kings Landing Historical Settlement was chosen for the Kings American Dragoons, a regiment of loyalists in the American Revolution, and “Landing”, for a stopping point or wharf where boats could tie up.
