## President's Message

Dear Friends and Colleagues,

I hope you are doing well and have enjoyed your summer! Once again, it is that time of year when we are busy preparing our summer-end reports on total visitors, sales and so on.

Here at the Association, we are getting ready to receive some distinguished guests: you, our members. I'm happy to say that in response to the comments we've received from you, we've planned a highly interesting conference featuring a range of discussion topics, special

tours and exciting social events!

I trust that you will not miss this opportunity to take advantage of our early-bird offer on the conference registration fee. And while you're saving money, don't forget to invite a friend to come along! Come celebrate the 225th anniversary of the city of Saint John... AMNB-style!

On this happy note, now would be the time to remind you that the deadline for payment receipt for early-bird pricing is September 30 and that you still have time to submit your nominations for our awards of merit. This is

your chance to network with other members sharing your interests and concerns. Make some new contacts as well as some new friends!

I look forward to seeing you all at the conference!

# Congratulations, Wayne!

Family, friends and colleagues gathered at Kingswood Lodge, Fredericton, 19 August to bid a fond farewell to one of the most dedicated champions of New Brunswick culture and heritage—Wayne Burley, Director of Heritage Branch. On behalf of the AMNB Board, AMNB members, and community museums and galleries across New Brunswick, we wish you the best, Wayne, and thank you so much for your unwavering support.

## We will miss you!

FundyCulture will miss Wayne!  
On June 10, Wayne Burley met with members of FundyCulture museum network in St. Andrews to discuss our future plans—and his! Alas, this meant Wayne's retirement in August so we consoled ourselves with a lovely lunch at Kingsbrae Garden and had fun talking about all the things that Wayne accomplished as director of Heritage Branch and how much we appreciated his vision, leadership, support, and very real and enthusiastic interest in all we do. We are really going to miss you, Wayne!

L-R: Margot Sackett, Maureen McIlwain, Carol Baker, Wayne Burley, Betty Frost, Dianne Lombard

On behalf of Société culturelle de Saint-Basile inc. and the Corporation de l'Édifice Maillet, I would like to wish Wayne Burley a wonderful retirement. I would also like to thank him for sharing his expertise so generously with both the Department and with heritage and museum organizations throughout this province. He has always recognized the value not only of heritage locations but also of the people working to preserve them. Wayne, best wishes for a long, happy retirement and success in all your future endeavours.  
Pauline Banville-Pérusse, on behalf of everyone in Saint-Basile

Wayne will be remembered as a strong advocate for the conservation of our provincial cultural heritage. His support of smaller community museums and cultural activities is acknowledged and much appreciated. His leadership will be greatly missed!

Borden McLellan, 8th Hussars Museum

The Atlantic Salmon Museum in Doaktown, N.B. will forever be grateful to Wayne Burley for supporting our accomplishments through the stressful periods and the great times. He will be missed. We wish him a wonderful, restful retirement.

Linda Gaston

Executive Director

During the past 18 years our Historical Society and Museum has had the privilege to have as Director of Heritage in N.B., Wayne Burley. We have experienced and appreciated the co-operation and expertise provided by Wayne and his staff. He has always been there for us. Thank you Wayne.

Faye Pearson - Kings County Historical & Archival Society, Inc. and Kings County Museum

Wayne, you have made a big difference within our organization. Your charisma and kindness will be greatly missed in the museum world throughout New Brunswick and even beyond! Best wishes on your retirement, and we hope you'll come back to visit often.

Lyne Bard

La Société Historique de Clair Inc.

On behalf of The Chocolate Museum Board of Directors and manager, I wish to thank Wayne for all his continuous support and consultations. Congratulations on your retirement and enjoy this next chapter of your life!

Dianne Lombard, Manager/ Director

I am probably one of the people who has known Wayne for the longest. He came to Bathurst on many occasions and spoke to City Council on our behalf when we were getting started on a Preservation Committee which then became our Heritage Commission. We say Thank You to Wayne for all the years and the advice which I couldn't have gotten along without and of course for his last visit to the Bathurst Heritage Museum where I felt he took a little pride in his part of how far we have come. Best Wishes and God Bless you Wayne Burley and your family for a happy future.

Jessica Ryan, Bathurst

Wayne has been the greatest of friends to museums everywhere in NB—always approachable, willing to help and full of ideas. His leadership in setting up museum zones has had an incredible impact here in South West NB with FundyCulture—we admire him and are fond of him—and will miss his zest, style, smarts and support.

Margot Sackett, Ross Memorial Museum, St. Andrews

On behalf of the Commission des Forges Jos B. Michaud, I extend best wishes for a happy retirement to Wayne Burley and thank him for his involvement with our organization.

Ben Milliard

President, Commission des Forges Jos B. Michaud, Saint-François

Congratulations, Wayne! Your interest, support and innovation on behalf of community museum is greatly appreciated and will be missed. Your love of community was always demonstrated at meetings and events when others in similar positions were off to the side, you were in the middle of things, with us, talking to us, checking up on us, encouraging us. And that meant a lot.

Words to describe Wayne? Respectful, thoughtful, engaging, reasonable, and of course, fashion forward!

All the best, Bruce Thomson, Queens County Heritage

All the villagers at Kings Landing Historical Settlement wish to share their sincere appreciation to Wayne Burley for his contribution, his commitment and his passion for our provincial heritage.

Over the past decades, Wayne supported our settlement through fun, inspiring... and often challenging times! His creativity to seek for solutions and improvements has made us grow and today we applaud his dedication for celebrating our history!

Thank you, Wayne!

Wayne Burley will be greatly missed by the museum and cultural communities throughout New Brunswick. I know here at the Lutz Mountain Heritage Museum we have benefited greatly under his directorship. He was always ready to work with and for the heritage community of New Brunswick. We wish Wayne all the best in all his future endeavors.

Betty Lutes, Lutz Mountain Heritage

On the occasion of the retirement of Wayne Burley, I and the other members of the board of directors would like to express our gratitude for his ongoing support for our museum from its founding through the present day. We wish Wayne a long and happy retirement after his years of hard work.

Sister Zélica Daigle, President  
Musée historique de Tracadie

In heritage, for the past many years, when you would say 'who ya' gonna call?' the answer was Wayne. Wayne the charmer, with warm greetings and a ready smile... Wayne the unflappable... most of the time! Wayne with the bent for fashion, for being hip ... of the many hair styles and the gorgeous Italian shoes! Wayne who seems to be perpetually young... May you never lose the spring in your step, the curiosity in your eye or the honesty in your spirit! Thank you for being there for the Kingston Peninsula Heritage Inc., and me.

Judith Baxter

We recognized Wayne at our opening this year at St James Textile Museum in Dorchester and at that time I mentioned the first time I met Wayne, I remembered his pony tail and since this was new to what I had expected I was wondering oh my!!! what were we in for. Little did I know what a wonderful person and true worker for Heritage in New Brunswick Wayne would turn out to be. He will certainly be missed by many. He has big shoes to fill (many shoes).

Alice Folkins, Westmorland Historical Society
