**Association Heritage New Brunswick (AHNB) is a non-profit organization that occasionally sponsors events aimed at promoting New Brunswick's Built Heritage.** Love Your Covered Bridges Day is such an event. Please be advised there is no supervision at any of the 58 covered bridges. The AHNB has no control over the settings, at or near the covered bridges. It is up to the individual(s) who choose to participate in activities associated with Love Your Covered Bridges Day, that they do so in a way that will not jeopardize their own well-being, as well as that of others.

**Be advised that, when visiting covered bridges, you must respect and obey the laws of the New Brunswick Motor Vehicle Act at all times.** Here are some suggestions and cautions you should consider before starting out on a covered bridge adventure:

**When visiting any of the 58 covered bridges of New Brunswick, please keep in mind** some covered bridges are still in use. Please ***slow down and stay safe.***

**Photos will be entered into a draw.** Because we care about your safety, we do not want anyone to put themselves in harm's way trying to get the perfect shot. So remember, the quality of the picture is not what's important - ***having a fun, safe day is what counts!***

**Be aware of your surroundings when taking a photo** especially when parking and/or exiting your vehicle. For your protection, and that of others, do not stand at the mouth of a covered bridge or too close to the bank of the river or stream that runs below the bridge while taking selfies or group photos.
